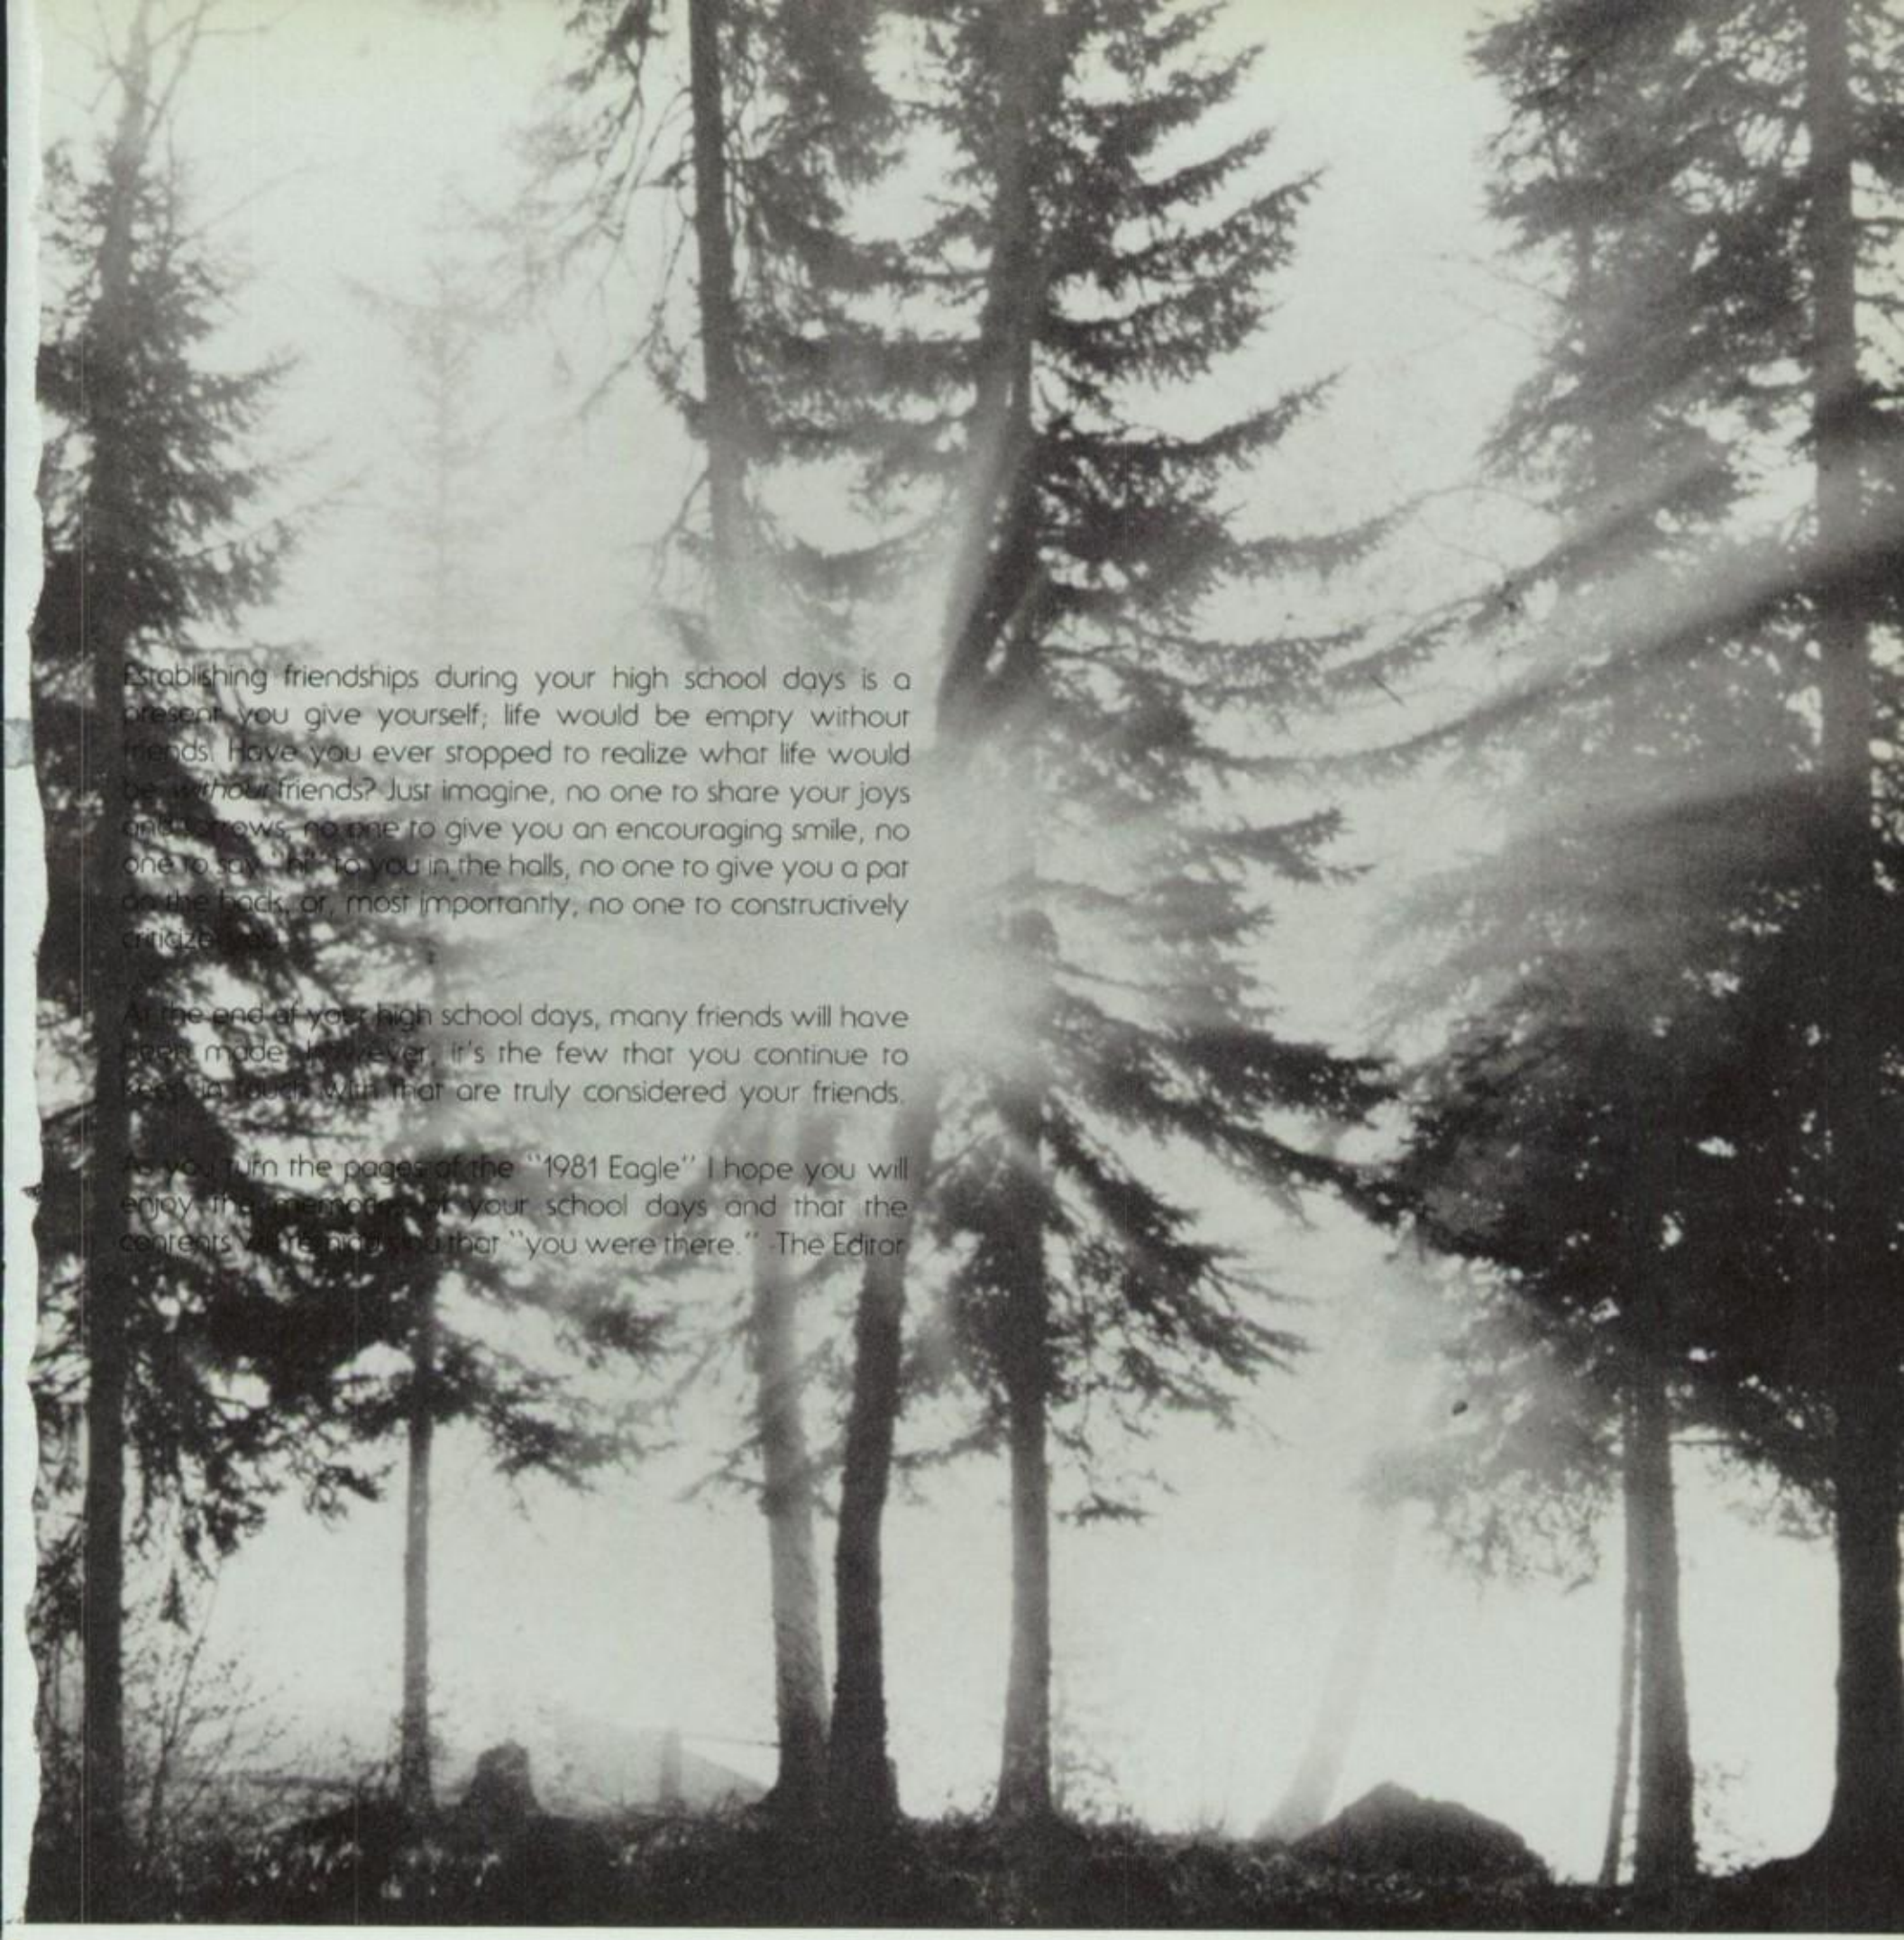
Eighty One and you were there.

EAGLE



Establishing friendships during your high school days is a present you give yourself; life would be empty without friends. Have you ever stopped to realize what life would be *without* friends? Just imagine, no one to share your joys and sorrows, no one to give you an encouraging smile, no one to say "hi" to you in the halls, no one to give you a pat on the back, or, most importantly, no one to constructively criticize you.

At the end of your high school days, many friends will have been made. However, it's the few that you continue to keep in touch with that are truly considered your friends.

As you turn the pages of the "1981 Eagle" I hope you will enjoy the memories of your school days and that the contents will help you recall that "you were there." -The Editor

Mrs. Kisseberth,

This annual is in dedication of you and all the hard work and time you've given to the students of Liberty-Benton. It's the foundation that a first grade teacher provides that allows students to continue their educations. There is no possible way that we can express our appreciation of your devoted teaching, guidance and counseling during your 28 years at Liberty-Benton, so to you, Mrs. Kisseberth, we dedicate the "1981 Eagle."

Sincerely,

CLASS OF 1981

This is our year,
the class of eighty-one,
This is the year,
we share good times and fun.
Our lockers are empty,
our textbooks returned,
Old homework papers
now thrown away and burned.
No more running,
to the cafeteria line,
No more rushing,
to get to class on time.

We no longer gather
in the alcove each day,
Our schoolhood memories,
have all drifted away.
This is the year
that we all graduate,
Family and friends
come to congratulate.
Leaving L.-B.
will be hard for us,
But then we all realize,
that we must.

May God Bless us,
each and everyone,
For we are the future,
"The Class of 81."

Ann Elsea

Ann Elsea was chosen as FFA Sweetheart at the annual Banquet held at the Old Barn April 21, 1981. Amongst the other candidates for Sweetheart were Deidra Cole, Kim Cramer, Karen Elsea, Betsy Gaertner, and Krista Weston. Ann's duties as Sweetheart will be to represent Liberty-Benton at the State Fair where she will be competing against many others from the state. Congratulations, Ann!

Other FFA honors included Bart Bunn and Rick Williams in the County FFA Tractor Trouble Shooting Contest, where they placed 2nd and then went on to the district competition where they finished 3rd.

The FFA was also involved in the soil judging competition. In urban soil judging Liberty-Benton placed 1st. Team members were Brad Weising, Warren Wells, John Schloemp, and Lee Ann Bakies.

The rural soil judging team placed third in the contest. The team consisted of Bart Bunn, Rick Williams, Dan Fry, and Tom Blunk. Bart Bunn placed fourth as an individual in the event. Good-luck to the future FFA competitors.

FHA ACHIEVEMENTS

Barb Lucas and Lennie Magee, members of the Liberty-Benton FHA, received State Homemaker degrees, the highest honor attainable in FHA. This honor has not been received by a L-B student since 1978.

Lucas and Magee completed a manual consisting of 25 letters of recommendation concerning their own activities. The letters were to reflect their growth as a homemaker, chapter member, high school leader. They also demonstrated personal growth and leadership as an individual through FHA, church, and school. Congratulations, Barb and Lennie on a job well done!

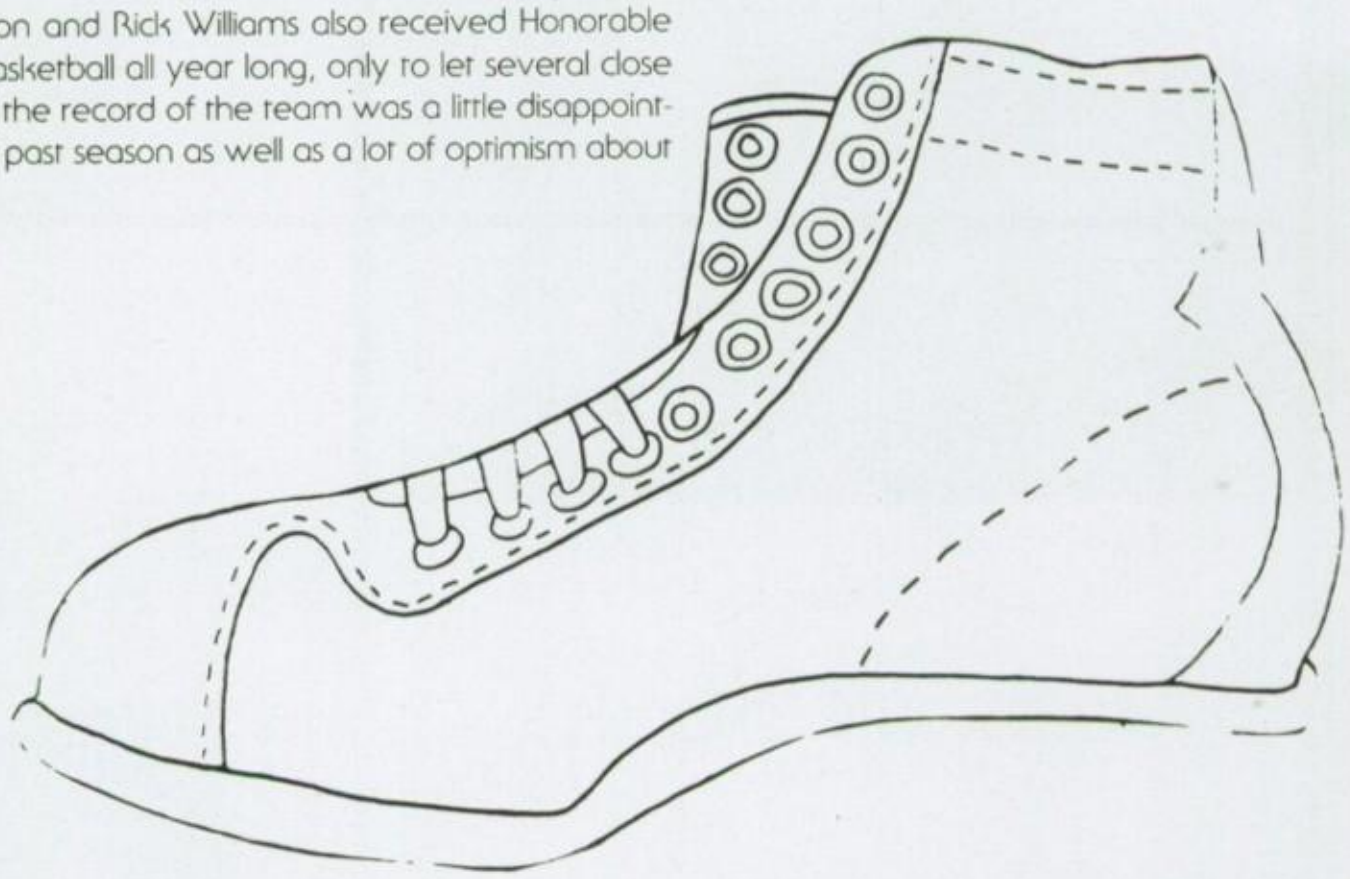
1981 BASKETBALL BVC ALL-STARS!

The Liberty-Benton Eagles ended their season with a 2-7 record (BVC-8th place) and a 6-15 overall record. John Schloemp was chosen for the 2nd team All-BVC picks for the 1981 basketball season. Kent Benson and Rick Williams also received Honorable Mention. The Eagles played exciting basketball all year long, only to let several close games slip away in the end. Although the record of the team was a little disappointing there were several bright spots this past season as well as a lot of optimism about the future.



OUTSTANDING TRACK MEMBERS

Congratulations to the Liberty-Benton Boys' Track Team who captured the BVC Crown and set many meet and school records at the BVC Track Meet. John Schloemp, Discus-150'4". Barry Martin, Low Hurdles, with a time of 41.6 and the 400 Meter Relay Team of Greg Williams, Jon Huffman, Barry Martin, and Kent Benson with a time of 46.1.

The 3200 Meter Relay Team of Amy Light, Kim Holdman, Cathy Wittenberg, and Amy Beck broke the old school record of 10:58.6, set in 1980 with a time of 10:56.4.

Homecoming 1980

The 1980 Homecoming Game was held Friday, October 3, against Van Buren. The members of the Royal Court were:

Karen Elsea	-Wes Wells
Jody Beck	-John Bowman
Deb Paxton	-Rick Williams
Gail Peggs	-Steve Tong
Tammi Griffith	-Wade Barger
Laura Zeltner	-Kent Benson

The Queen and her Court were escorted across the field to the music of Dan Fogelberg's "Longer."

The Queen and her Court put on a different appearance this year. They shunned the formals and adopted "the look" of plaid skirts and blazers.

The weather was cold but the team was "hot." The score was Liberty-Benton 40 and Van Buren 7.

The following night a dance was held from 8:30-11:30 in the gym. The music was provided by J.B. Sound.

The drama club's main responsibility this year was helping out with the play, *Come Blow Your Horn*. Aside from attending meetings after school, many members went to see plays performed in the area. Our goal for next year is to have a bigger club and another good performance.

JR-SR DAY

Wednesday, May 13th, from 8:00 a.m. to 11:45 a.m., was the setting for the battle between the Junior and Senior classes. Scheduled events were: volleyball, softball, soccer, floor hockey, and tug-of-war. The teams were matched Junior boys against Senior boys, and Juniors girls against Senior girls. Each event was worth 10 points to the winner and 5 points to the loser. After the score was tallied, the Seniors came out on top. Because of the outcome, Senior class President, Craig Bishop, "treated" the President of the Junior class, Betsy Gaertner, with a pie in her face. Guess you can't win 'em all, Juniors!!

New to the students of Liberty-Benton is the TRS-80 Computer which was donated by Gary Harpst. The computer has been used by the chemistry, physics, and trigonometry classes, as well as the teachers.

This year the Seniors took a class trip to Attwood Lodge. As can be seen by the photos, everyone thoroughly enjoyed himself. Among the activities planned were boating, swimming, sunbathing, golfing, and just plain loafing around. Thanks to the careful, but not too overly protective supervision of Mr. Smith, Mr. Miller, Mr. Mihalik, Mr. Butler and our chaperones, Mr. and Mrs. Cramer and Mr. and Mrs. Garner, we had a fantastic time!

Starting a school newspaper . . . sign . . . Like most other newly undertaken projects, the making of the "Aquila" required a lot of time, effort, sweat, patience, and prayers! During the month of February, I was easily recognizable as the person stumbling through the halls pulling out my hair and bumping into foreign objects! All in all, I feel that the "Aquila" has gotten off to a terrific start in 1981. The success of the "Aquila" however has depended upon many different people. Miss Bogard has been the "backbone" of the operation. Her time and sacrifice have been greatly appreciated. I also owe a big thanks to my staff (For putting up with me). Although inexperienced, like myself, they have done a marvelous job. A special note of thanks goes also to our advertisers and to our printers, Gordon Hill and the *TV Times*. And to you, the student body and staff, I owe the biggest thanks. Without your support, the paper would have been a wasted effort. I hope that you will all continue to support the "Aquila" in future years as enthusiastically as you have in 1981. Thank you.

1980 was another successful year for the "Eagle Marching Brass". We reached our goals of improving band spirit, pride, sound power and marching skills. The band students and Miss Swisher also made good music selections which ranged from pop tunes such as Knock on Wood, to the Classics and the New World Symphony.

This year's Pep Band sounded super! They ranged in songs from "Hang on Sloopy" to the newer sound of "Knock on Wood;" which was one of the bands favorite songs to play. Also, this year the band added a special flare with their bright red sweaters with blue note emblems on their right side. It really made the band look as good as they sounded!

The Eagle

He soars magnificently
o'er rocky pinnacles.
The sky and stony mountain peaks
the realm of his mighty kingdom.
A pure blue sky
pierced by shafts of sunlight;
This is where he flies majestically,
challenging those who dare
to enter his domain
of peaceful solitude

His presence is powerful,
and untouchable,
as he perches upon
a suspended aperture-
He is a king.

The Liberty-Benton Basketball squad was characterized by their rough times, hard luck, and an unwillingness to give in to their opponents.

The rough times they overcame was a mid-season 8-game losing streak. The hard luck being some key injuries and illnesses, 5 2-point or overtime losses, and several leads lost in the final quarter of play. But the team had superior leadership in its seniors, and kept on working to achieve any success it could. In the end, the team established a modest 3-game win streak, and a rare tournament victory in the sectionals.

We would like to thank the seniors that we are losing for not giving up, and we wish them well in future endeavors. We hope they will come back to see the underclassmen enjoy their success that had it's roots in these seniors last season.

TRACK

This years girl's track team finished a season by finishing sixth in the B.V.C. The sectional meet proved to be profitable for two of the track members. Two girls went on to districts, Ann Elsea and Marcy Kline. Ann went on for the 400 meters and long jump. Marcy went on for the 200 meters. Many records were broken and rebroken. The relay teams for the most part will be the strength of next years team which is losing only one senior, Janet Meyer. We hope to see a powerful team next year which can come away with a B.V.C. title to take away Arcadia's winning streak.

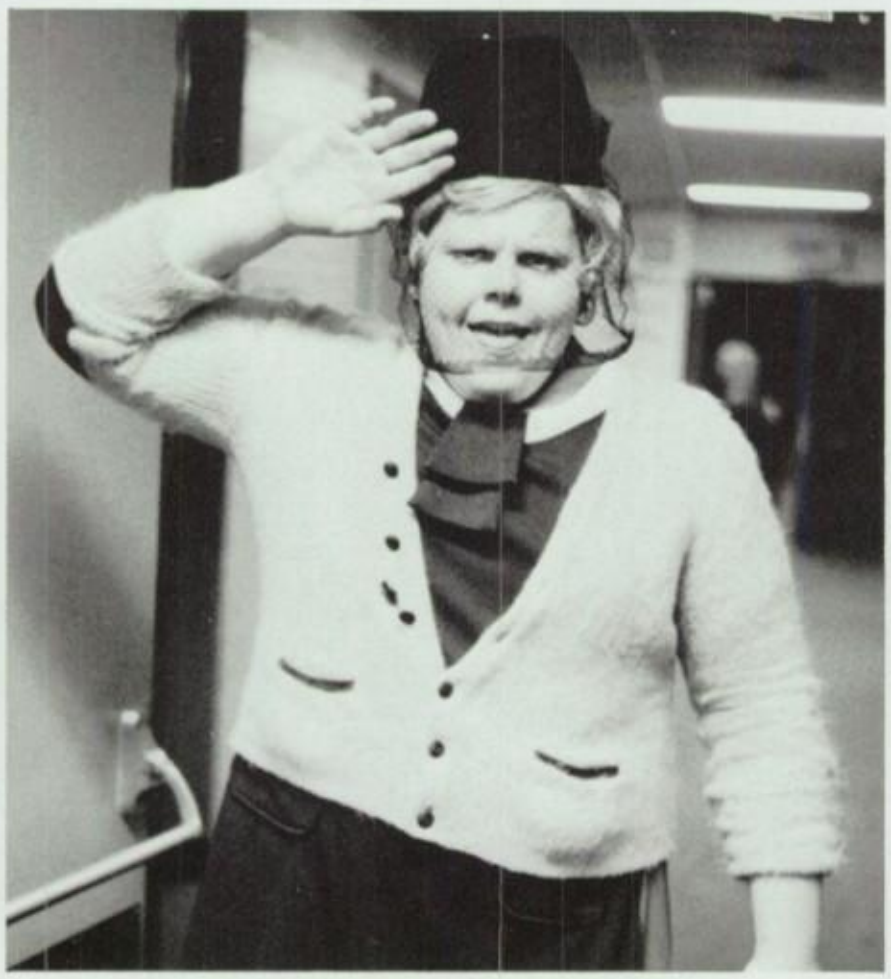
On April 3 and 4, at 8:00 p.m., the Liberty-Benton Drama Club presented *Come Blow Your Horn*. This year's production was a zaney 3-act comedy by Neil Simon.

One thing quickly lead to another in this fast-paced and hilarious play which was full of surprises right to the end.

The play was under the direction of Mr. John Lewis. The Student Director was Sherri Garner and the Student Producer was Tonia Palmer. The cast included Wes Wells (Alan Baker), Troy Fuller (Buddy Baker), Cathy Wittenberg (Peggy), Ann Benson (Connie Dayton), Doug Schumacher (Mr. Baker), Shelli Garner (Mrs. Baker), and Tom Blunk (Aunt Gussie).

As a result of much time and effort by the cast and crew, the play was a success.



Masked and Unmasked

You seem to mature so exuberantly
But-
  Fail to display it enough.

Your ideals grant you respect
But-
  You perceive it as being *rough*.

You fear people beside you
But-
  Talk to them elsewhere.

You want to be accepted
But-
  You say "I'm not treated fair."

You now realize that you're not you
And-
  You try to be one instead of two.

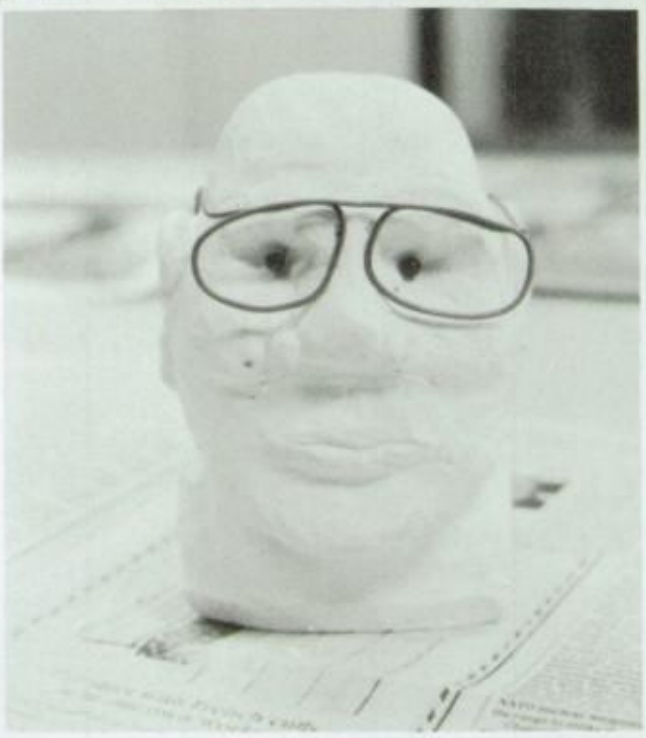
STUDENT LIFE

"Memories . . . Sweet Memories"

Memories to look back on
Memories to be shared
Moments to hang on to
While they are still there

Memories to be cherished
However many, or few
They happened, they are there
They are memories of you

Memories . . . sweet memories
To remember when you're feeling down
Memories keep going
Won't you please stick around



Thirty students from Liberty-Benton Industrial Arts and Vo-Ag Shops took projects to Columbus for individual and group judging. They took fourth place among thirty-seven booth entrants and seventy-eight individual school entries. Thirty-one meritous awards were given to L-B's projects. Items entered included a range from grandfather's clock to black and white photographs. Other projects entered were: roll top desk, lamps, silk-screened comic-strip heroes, wall clocks, fern stands, electronic projects, and sandblasting art.

After competing in Columbus an exhibit was placed in the Blanchard Valley Store and was judged. Craig Bishop, Steve Davis, and Todd Cramer each place first, second, and third respectively. Congratulations to these boys, and the industrial arts and Vo-Ag departments!

A HUMOROUS PICTURE OF LUNCHTIME

The buzzer sounds and the race begins. Around turn one is the freshmen class. Quickly catching up to them are the sophomores. But wait! The juniors and seniors have now caught up to the pack at turn two. This is where the trouble begins. One of the racers from the sophomore class has spun out and has hit the wall. While spinning across the track, the sophomore has taken a couple of seniors with him. This is too bad because the seniors have the stronger bodies and can take more abuse. As for the sophomore, he will probably be in no condition to continue with the race.

While resuming the race, the competitors notice that the yellow flag has been waved. Yes, up ahead they can see the pace car, a small, compact-type vehicle with dark hair and a formal paint job. They now slow down after he sounds his horn and pulls a few people over for a pit stop. Needless to say he will probably rotate their tires and refuel them for tomorrow's race.

After the pace car is out of the way, the race resumes. We are now nearing the home stretch. All people now jockey for position. Once the last corner is rounded, total acceleration is the key. The smaller vehicles have the quick acceleration advantage and can take the short distance much faster than the larger makes. Some of the older makes have quite a bit of wheel problems that they nurse throughout the race. So, when it comes down to the wire, the faster ones finish first, with an extremely large amount of various racers bunched up in the middle section, and a few slower ones bringing up the rear. As the few lucky winners, which was once put so well. "To the victor goes the spoils."

"What Lies Ahead"

Thinking back upon the years
That I spent within these walls
Graduation day approaches
As I walk the lonely halls

I used to be so anxious
To be away from here
But then, I remember the good times
And the friends who'd become so dear

Leaving behind are many memories
Some of them good and some of them bad
I'll even miss the teachers
And the talks that we have had

Soon I'll have to face the world
That I've been hiding from so long
I'll have to stand on my own two feet
And cope with life's problems, yet be strong.

12 YEARS TOGETHER

Remember when we met each other,
back in grade one?
We shared our toys and happiness,
always having fun.
Second grade then came about,
learning to read and write,
The base of our third grade year,
was learning wrong from right.
Fourth grade and our field trips,
to and from the school,
In the fifth grade,
respect seemed like the "golden rule".
Sixth grade and then Jr. High,
right up to our senior year,
Remembering all our teachers,
and the times that we've spent here.
As the sun now slowly descends,
so be it our education,
This is our final step from here
for this is graduation,
We made friends, goals and wishes,
in these twelve years together,
The memories of our school days,
shall live with us forever.

-Eileen Tong
